Напращам Ви последния ерой на списанието "Дорба" от където
не научите нѣкой подробности относно предстоящия четвърти конгресъ
на организацията който ще се състои на 5 и 6 мартъ т.г. въ Нью Йоркъ
както преди. Ние продължаваме нашата работа нескутъвано независимо
отъ напаниѣ които Статевци и компания правятъ, за да ни пречатъ.
Всички отдавна видѣха истината и тази годишния конгресъ ще бѣде по
успѣшенъ отъ миналогодишния. Това е нашиятъ отговоръ.

Само за информация искамъ да Ви съобща, че Лехаровъ обикаля
нѣкой градове - билъ е въ Чикаго миналата седмица. Платил му "речъ" е
близъ ругатин по мой адресъ. На събранието му съ били само 11 души
отъ които нѣколко геномъвци - любопитни. Следъ свършване на "речъта"
нѣколко души съ изказали възмущението си и всички съ напуснали съб-
ранието. Съ Лехаровъ съ останали само двана души. Първанъ, че той,
за да оправдае паритѣ които му се даватъ за развиване на тази "наро-
доловна и освободителна" дейность Ви е далъ рапортъ, че е ималъ
голямъ успѣхъ. Тѣй като много отъ Вашитѣ заключення по българскитѣ
работи се бързатъ на "достоверни" рапорти отъ този родъ страхувамъ
се, че скоро ще бѣдете дълбоко разочаровани отъ новитѣ Ви "приятели".
Въ всѣки случай, въпреки всичко, азъ запазвамъ моитѣ най добри чув-
ства къмъ Васъ и следъ като се увѣрите, че съ тия хора съ които сега
работитѣ нищо неможе да се направи, азъ съмъ готовъ да продължимъ
съвѣстната ни работа, като съмъ готовъ, въ името на дѣлото, да забра-
ви оговоренитѣ които ми се нахасоха.

Много поздравя.

Dear :

13 February 1960

A whole year passed since I saw you ~~at~~ for the last time, I however, believe that you are still interested in the Bulgarian affairs, that is why I am sending you an invitation for our congress, which will take place, as yet to ~~now~~ during the same time. I will be very pleased if someone come to New York in order to assure himself that the organization is continuing its life unaffected.

I took the opportunity to inform you, that on the meeting of STATEI ^{group} ~~and LUBENOV~~ in Toronto this past Sunday, had been officially announced that STATEI and LUBENOV, would come to America, and then would go to Canada.

13 February

on their "personal expenses" in order to be present on the 'congress' which that group is going to hold. It had been publicly announced that this year no material contributions will be collected for the expenses of the "congress", because money have been found.

This year BAKHAROV and Company made a tour of many towns and all they did was to swear at me - and because those trips cost money - somebody had been paying them; now, after STATEV, who has no personal income to buy even a packet of cigarettes, has been planning to come to America with his own money, and after this year STATEV's group is planning a congress, money for the expenses of which were found, it is

quite clear, ~~that~~ as twins are saying,
and I believe that it would be good
if you advise the people you support
to find some means for explanation
the source of the money they pass
without to involve you because the
results may be undesirable.

Best regards to you and all
friends

Yours Dr-d
